

Story Elements Table

Good stories are composed of several key elements. Use this table to take note of elements of stories you hear or make.

Story Element	Story from Small Group	Example
Backdrop		Wewoka, early 20th century
What happened?		Alice and Henry ran their store.
Resolution		It was a successful business for 26 years.
Reflections of persons involved		Their great-granddaughter was inspired by their story and became an entrepreneur.
